Gentlemen:

I am writing this letter in support of granting "Must Carry" status to WHSI-TV, Channel 67, licensed to the city of Smithtown, N.Y. I am very much aware that this station carries the Home Shopping Club as its major programming, the station is fully committed to the issues of its local communities.

I know that Whsi is totally committed to presenting issues of interest to the community because I have presented on several occasions. I am a family therapist and I also established a STEP FAMILY CENTER in Commack, N.Y. This station gave me the opportunity to inform the public of the advantages of seeking counseling, of the disadvantages of leaving their kids in a latch lock situation. I spoke about depression, divorce, children's issues etc. I've had calls where people took the time to thank me for the information they received from my guest appearances on WHSI.

As a matter of fact it would be an asset that will benefit many if this program were carried by more cable stations. I trust that your investigation will satisfy you with the level of programing IN YOUR INTEREST PRESENTS.

THANK YOU.

TERRIE RABINOWITZ, CSW
